Vice Chancellor's Message

It gives me immense pleasure to release the Prospectus for the Academic Session 2026–27 of Jamia Millia Islamia.

Jamia Millia Islamia, founded in 1920, has grown into a premier Central University known for its academic excellence, inclusive ethos, and commitment to nation-building. Guided by our motto of nurturing enlightened citizens and responsible leaders, the University continues to uphold the highest standards in teaching, research, innovation, and community engagement.

As we step into the academic year 2026–27, we reaffirm our commitment to providing a transformative educational experience aligned with the vision of the National Education Policy 2020. Our focus remains on multidisciplinary learning, skill development, research-driven education, digital integration, and global collaborations. We are continuously updating our curricula to ensure relevance to emerging technologies, sustainable development, and societal needs.

Jamia takes pride in fostering an inclusive and vibrant campus culture where diversity is celebrated and ideas flourish. With state-of-the-art laboratories, modern libraries, innovation and incubation centers, and a dedicated faculty, we strive to create an environment that encourages critical thinking, creativity, and ethical leadership.

We are particularly committed to advancing research and innovation in frontier areas such as sustainable energy, artificial intelligence, advanced materials, health sciences, social sciences, and humanities, thereby contributing meaningfully to national priorities and global challenges.

I congratulate Controller of Examination for timely release of Prospectus.

To all aspiring students, I warmly invite you to join this historic institution and become part of a dynamic academic community that values integrity, excellence, and service to society. At Jamia, education is not merely the acquisition of knowledge but the cultivation of character, compassion, and competence.

I wish all prospective students every success in their academic journey and look forward to welcoming you to Jamia Millia Islamia for the academic session 2026–27.

(Prof. Mazhar Asif)
Vice Chancellor

From the Desk of the Registrar

I am pleased to release the Prospectus for the Academic Session 2026–27 of Jamia Millia Islamia. This prospectus has been prepared to provide comprehensive and transparent information to prospective students, parents, and other stakeholders regarding academic programmes, admission procedures, rules, and regulations of the University.

Jamia Millia Islamia is committed to maintaining the highest standards of academic governance, administrative efficiency, and institutional integrity. The University continuously strives to ensure that all academic and administrative processes are conducted in a fair, transparent, and student-friendly manner, in accordance with statutory provisions and national policies.

In alignment with the National Education Policy 2020, the University has undertaken several reforms in curriculum design, evaluation systems, digital administration, and student support services. These initiatives aim to enhance flexibility, interdisciplinary learning, skill orientation, and ease of access for students from diverse backgrounds.

Jamia Millia Islamia remains deeply committed to inclusivity, equity, and excellence in higher education. We welcome students from across the country and abroad to be part of this vibrant academic community that encourages intellectual growth, discipline, and social responsibility.

I congratulate Controller of Examination for preparing and making prospectus available on time.

I extend my best wishes to all aspiring candidates for success in the admission process and look forward to welcoming you to Jamia Millia Islamia in the Academic Session 2026–27.

Prof. Ahteshamul Haque
Offg. Controller of Examination

Message from Controller of Examination

It gives me great pleasure to present the Prospectus for the Academic Session 2026–27 of Jamia Millia Islamia. The Office of the Controller of Examinations remains committed to conducting all admission and examinations related evaluation processes in a fair, transparent, timely, and efficient manner.

The University follows a robust and continuously evolving examination system designed to ensure academic integrity, credibility, and accuracy in assessment. In alignment with the National Education Policy 2020, we have adopted reforms that promote continuous and comprehensive evaluation, outcome-based education, digitalization of examination processes, and timely declaration of results.

The Examination Office is responsible for the conduct of entrance tests, semester examinations, result processing, issuance of grade cards, transcripts, degrees, and other academic certifications. Special emphasis is laid on maintaining confidentiality, data security, and adherence to established norms and timelines.

We have also strengthened our digital infrastructure to facilitate online application processes, admit card generation, result dissemination, and grievance redressal mechanisms, ensuring greater convenience and transparency for students.

I am thankful to Honourable Vice-Chancellor Prof. Mazhar Asif and Honourable Registrar Prof. Md Mahtab Alam Rizvi for their full support and guidance in smooth, fair and efficient functioning of office of controller of examinations.

I advise all students and applicants to carefully read the examination rules, ordinances, and important instructions provided in this prospectus and on the University website. Compliance with examination guidelines and academic regulations is essential for the smooth conduct of the academic session.

The Office of the Controller of Examinations remains dedicated to upholding the sanctity and credibility of the admission and examination system while supporting students in their academic journey.

I extend my best wishes to all aspirants for the Academic Session 2026–27 and look forward to your successful association with Jamia Millia Islamia.

ABOUT JAMIA MILLIA ISLAMIA

1. Establishment

Jamia Millia Islamia is a comprehensive research-intensive Central (Public) University. The university made a modest beginning in 1920 at Aligarh, and later moved to Delhi in 1925. It is the result of the tireless efforts of its founders; Shaikhul Hind Maulana Mahmud Hasan, Maulana Muhammad Ali Jauhar, Jenab Hakim Ajmal Khan, Dr. Mukhtar Ahmad Ansari, Jenab Abdul Majeed Khwaja, and Dr. Zakir Hussain to create an institution that would manifest indigenous ethos and spirit of plurality. Jamia Millia Islamia, in 1988 became a Central University by an Act of Parliament. It is a national institution that offers progressive education and nationalist ideals to students from all communities, particularly the Muslims, providing them with cutting edge learning experience, internationally benchmarked education, intellectual freedom and research opportunities in frontier areas of contemporary fields.

Today Jamia Millia Islamia is ranked at 04th position in the country amongst universities in NIRF 2025 rankings issued by the Ministry of Education, Govt. of India. It was accredited with the highest grade of 'A++' by the NAAC, Ministry of Education in the second cycle of assessment in 2021. The university has also been consistently ranked amongst leading universities in the world by the renowned international ranking agencies as a comprehensive research-intensive institution. The university has received the prestigious "Research award of President of India" twice and many of its students are recipients of Prime Minister's research fellowship. Several researchers of the university figure in the recent list of the World's Top 2% Scientists issued by the Stanford University.

The university recognizes both teaching and research as areas of focus. It has Natural Sciences, Social Sciences, Engineering & Technology, Education, Humanities & Languages, Architecture & Ekistics, Fine Arts, Law Dentistry and Management Studies Faculties. Jamia has over thirty research Centres of higher studies and research in diverse domains of contemporary concern. Some notable Centres are AJK Mass Communication Research Centre, Centre for Peace and Conflict Resolution, Academy of International Studies, Centre for Culture, Media and Governance, Centre for Nano sciences and Nanotechnology, FTK Centre for Information Technology, Centre for Management Studies, Dr. K.R. Narayanan Centre for Dalit & Minority Studies, Centre for West Asian Studies, Centre for Physiotherapy & Rehabilitation Sciences, Centre for Theoretical Physics, Centre for Interdisciplinary Research in Basic Sciences and Multidisciplinary Centre for Advanced Research and Studies. The university continues to support measures for affirmative action to foster the goals of building a secular and modern system of integrated education.

Spread across 239 acres, the university is a partly residential campus where students come from different parts of the country and abroad. It provides them a safe and friendly environment to become part of the plural, diverse and inclusive fabric of the university. A range of co-curricular and extracurricular activities, sports facilities, and several cultural clubs are available for students, ensuring their overall growth.

Jamia Millia Islamia is committed to its vision and mission to be a world class institution which embodies excellence in education and research.

1.1 Vision

AICTE   : All India Council for Technical Education
COA   : Council of Architecture

1.5   Panoramic Profile

Jamia Millia Islamia has a historical and distinctive place in the country's academic scenario. This institution places a premium on innovative teaching and professional training. Over the years, Jamia has emerged as a seat of learning that underscores the cultural and religious diversity of India, emphasizing the inclusive spirit of the country.

It has inculcated a spirit of learning that blends tradition with modernity, humanism with liberalism, and nation building with professionalism. Jamia's strength lies in its ability to cull from the past, to address the present and forge the future. Educators and researchers have contributed to expanding knowledge in all the faculties, departments and centres of Jamia Millia Islamia. With the unwavering commitment to excellence in quality education and research, Jamia's has endeavored to strengthen the scientific output in terms of publications based on its research productivity, impact, innovation and excellence. And this is reflected in Jamia's contribution to higher education where several professors from Jamia Millia Islamia have served and are currently serving as Vice-Chancellors of different Universities, Directors of NITs, in India.

1.6   Significance of Logo

Right on the top is a star with the inscription - Allah-O-Akbar. When the poor travellers have to travel across jungles in the darkest hour of the night and there is no one to show them the way, they chart their course with the help of stars. Similarly, the star of Allah–O-Akbar is the guiding star of Jamia which illuminate its path in the darkling world. It reflects the truth that Allah is the greatest and he who bows his head before Him only, discovers the truth. Beneath this glittering star is a book with the inscription, *Allammal Insaana Maalam Yalam* (Taught man that which he knew not). This is a verse from the Holy Quran. Through the Holy Quran, Allah has revealed His Will to eliminate the differences between caste, class, colour, of master and slave. The Holy Quran led mankind from darkness to light, and placed the wayward and lost on to the Straight Path. Jamia Millia Islamia also embodies the spirit of nurturing its students to the straight path. On both sides of the Book are two date trees reminding us of the land where God's last Prophet was born. They are symbolic of the barren valley in which nothing grew; but it was there that the sapling of deen took root. These trees are emblems of hope from a land in which not a leaf or flower could sprout; but wherein suddenly the springs of hidaya (guidance) burst forth and drenched the communities with the profound wisdom and mercy. These trees are a source of consolation for people who became disheartened with adverse circumstances and a reminder to never lose hope.

At the very bottom is a tiny crescent which reads - *Jamia Millia Islamia* in Arabic. The crescent expands into the full moon on the fourteenth night indicating that Jamia Millia Islamia is on its way to expand into a full moon and become a source of delight and wonder for the world.

The Health Centre provides primary healthcare under one roof. Doctors are available till 10 pm, including weekends. Ambulance services are available 24 hours for any emergency needs. A panel of specialist doctors (consultant) in different fields/area visit Jamia twice a week.

1.16 Environmental Care and Sustainability

Jamia Millia Islamia strongly believes in inculcation of human and social values, gender equality, professional ethics, promotion of environmental conservation and sustainable development among the students and research scholars through teaching, research and extra-curricular activities and cultural events organized regularly by various Departments/Centres and NSS. The University has been ranked at 526th in the UI Green Metric World University Rankings-2021.

1.17 Outreach/Extension activities

The University also focuses on social outreach for community development in the vicinity and neighbouring places, Livelihood skill development, short-term courses, Empowering local women, Legal Services Clinic, Health services to Neighbourhood, Child Care training specially towards needs and social acceptance of special children. **Jamia has adopted**

5 villages under Unnat Bharat Abhiyaan. Community oriented courses are offered by some centers like Centre for the Study of Social Inclusion with M.A. Program in Social Exclusion and Inclusive Policy. Madrasas graduates are brought to mainstream education. University runs three Balak Mata Centres in Delhi; supported to run an all-women canteen by providing free space under outreach. It also runs Jamia Community Radio services. The University celebrates all important National and International days and events to create awareness the among the student community and society. Jamia Millia Islamia has taken special measures and actions towards women empowerment and achieving gender parity. Women represent about one third of the faculty strength and share of women in management and administrative positions is also significant. JMI offers B.A and M.A program in private mode for female students to empower them with education.

1.18 Residential coaching academy

Established in 2010, the Residential Coaching Academy (RCA), Centre for Coaching and Career Planning, has emerged as a beacon of excellence in Civil Services preparation. Over the years, the academy has nurtured talent and transformed aspirations into achievements, resulting in nearly 800 selections across various competitive examinations, including the Civil Services Examination (CSE), Indian Forest Service (IFoS), State Services, Central Services, and other Allied Services.

RCA's curriculum is thoughtfully designed to foster both intellectual rigour and personal growth. It integrates interactive sessions, group discussions, mock interviews, personality development modules, and dedicated mental health sessions, complemented by demand-specific classes for General Studies.

Progress at RCA is driven by measurable monthly goals, reinforced through regular written examinations and MCQ-based assessments. A hallmark of the academy's innovation is the RCA Hourglass: Answer Writing Practice - a structured and systematic writing drill conducted under real examination conditions to sharpen analytical clarity and presentation skills.

The academy's commitment to excellence was exemplified last year when Alfred Thomas emerged as the topper from RCA, securing an impressive Rank 33 in the Civil Services Examination. There were a total of 33 selections in the CSE, 8 in the IFoS, and around 15 in State and other Central Services last year. The achievement reflects RCA's enduring legacy of success and inspiration.

1.19 International Affairs

Jamia Millia Islamia has established a strong network of 30+ Memoranda of Understanding (MoUs) with leading universities and research institutions across Asia, Europe, North America, Africa, and the Middle East. These partnerships facilitate student and faculty exchange programs, visiting scholar initiatives, international internships, collaborative research networks, and global academic events, fostering academic excellence and cross-cultural knowledge exchange.

Distribution of International Activities by Region (Country-wise)
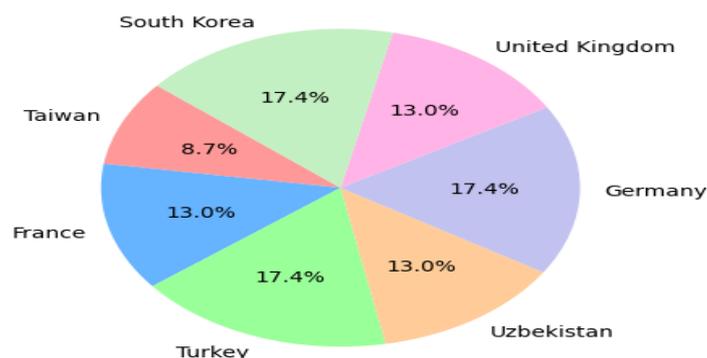

International mobility is a cornerstone of Jamia's global engagement strategy. The Office of International Relations supports short-term study abroad programs, summer and winter schools, global research internships, and skill-development workshops and training initiatives. At the same time, the University warmly welcomes international students, visiting faculty, and academic delegations, enriching campus diversity and intercultural learning.

Beyond mobility and student services, the Office of International Relations contributes significantly to promotion of international collaborations and global initiatives across departments and centres (where MoU exists). These efforts enhance Jamia Millia Islamia's international visibility, academic standing, and research impact.

1.20 Key Research facilities at JMI

The university has world class research facilities that are utilized by its faculty, students and also by other institution across the nation. This includes Field emission scanning electron microscope, high resolution Transmission electron microscope, at Centre for Nanoscience and Nanotechnology, Cultural facility at MCARS. Besides, the university has established research facility to promote on campus applied research by establishing animal house facility for applied life science research and Central Instrumentation facility (CIF). CIF is housing the state of art and high-end analytical research instruments for applied life and basic sciences to facilitate the front-line research. A few of them are Fluorescence assisted cell shorting, Confocal microscope, Raman Microscope, UPLC-MS-MS, atomic force microscope, RT-PCR, Stopped Flow Spectrophotometer, ICP-OES, Robotic crystallization, time-resolved fluorescence, X-ray diffractometer, zeta potential analyzer, multiangle scattering setup, contact angle measuring setup, FTIR, UV-vis absorption and fluorescence, Electrical power system simulator, Real time digital Emulator etc. Faculty of Engineering & Tech and Faculty of Architecture & Ekistics have state of art research facilities along with high end research software's.

The 'Make in India' mission needs a comprehensive design component to be a phenomenal success. To take our rightful place among global economies, marrying our tech and IT skills with our design heritage, the university has a cutting edge through the Department of Design and Innovation. The Master of Design program

is intended to create and empower aspiring designers to develop a system of inquiry and skill sets to be innovative problem solvers in a variety of design domains

The university also has a Centre for Innovation and Entrepreneurship which consists of two units that is Livelihood Business Incubator (LBI) and Design Innovation Centre (DIC) to provide skill-based training to students and to foster and advance the culture of Innovation, Entrepreneurship and Design Thinking in the university. X-ray diffraction machine, High resolution Raman

spectrophotometer, Fourier transform infrared spectrophotometer, Sputtering and Chemical Vapor Deposition machine and Atomic force microscopy (AFM) or scanning force microscopy (SFM) at Centre for Nanoscience and Nanotechnology, Cultural facility at MCARS

4. General Guidelines

(i) There is no guarantee of hostel accommodation as University has limited residential facility for students. The students residing in University Hostel have to follow the rules of the hostel strictly i.e. daily end time to enter the hostel etc. The allotment of the students will be cancelled from the hostel, if he/she fails to follow the rules.

(ii) Verification of the detail of candidates like address, mobile no etc shall be done with Aadhar Card at the time of admission.

(iii) Admission of **eligible** candidates to all Programs offered by various faculties and centres of Jamia Millia Islamia shall be done through merit determined on the basis of an Entrance Test conducted by JMI (Except B.Tech, B.Arch., BDS, ITEP B.Sc -B.Ed, ITEP B.A. B.Ed, BPT and courses mentioned at Annexure-VI), and wherever applicable, followed by an interview and/or other components. For B.Tech., admission is offered to eligible candidates as per merit on the basis of the final ranks of candidates in JEE Main 2026, for B.Arch., admission is offered to eligible candidates as per merit on the basis of the rank of candidates in NATA-2026 after first cut-off conducted by Council of Architecture.

(iv) Admission to BDS program shall be on the basis of merit in NEET-2026 and conducted by Medical Counselling Cell (MCC) of D.G.H.S. GoI. In case of any vacancies transferred to JMI by MCC, the University shall publicize them on its website.

(v) **Candidates obtaining less than 30% marks in the descriptive part of the Entrance Test, wherever applicable, will not be shortlisted for interview/ admission.**

(vi) **There will be negative marking of 0.25 marks for each wrong answer in the Objective Type/ Multiple Choice questions in all programs of the University (Except Ph.D).**

(vii) **No documents to be uploaded with online application form except Photograph and signature. However, all original documents (Certificate. Marksheet, Score card etc) shall be checked on the day of admission (on the day of interview in programs where interview components are part of admission process). The result of the candidate should be complete/valid in all respects on the day of admission.**

(viii) The absence of a candidate in any component of the Entrance Test including Written Test, Group Discussion, Interview, as the case may be, shall forfeit his/her claim for admission in the said Program.

(ix) No application/request from candidates for rechecking/re-evaluation of Answer Scripts of an Entrance Test shall be entertained.

(x) The number of seats mentioned in various Undergraduate and Postgraduate Programs is only indicative of the maximum intake capacity of each Program and does not bind the University to admit the number of students specified. The number of students finally admitted shall depend on the minimum benchmark of Program in the Entrance Test/Interview etc.

(xi) No candidate shall be entitled to claim admission as a matter of right.

(xii) University has discretion to offer or not to offer admission to any self financed program where number of shortlisted/Selected/admitted students is less than 50% of the total seats.

(xiii) Admission of candidate to any programs shall be subject to clearance from the office of the chief proctor.

(xiv) The verification of documents of the students admitted in various UG programs of the university shall be done by the office of the Dean of the concerned Faculty/Centre, and for PG and other programs it shall be done at the office of the Head/Director concerned Department/Centre.

(xv) **Candidates are strongly advised to regularly check the University website (https://admission.jmi.ac.in; http://jmi.ac.in) for admission related notices and other information.** Some important URLs on the University website may be referred in Annexure–III. (Page No. 130)

(xvi) There is no provision of nomination on any seat by any authority of Jamia and no application/ request shall be entertained in this regard.

Choice Based Credit System

Jamia Millia Islamia introduced Choice Based Credit System (CBCS) at both Undergraduate and Postgraduate levels with effect from the session 2015-2016. In the year 2024-25, the university adopted the National Education Policy, 2020 for all undergraduate programs offered by the following faculties:

- Faculty of Engineering & Technology
- Faculty of Fine Arts
- Faculty of Humanities & Languages
- Faculty of Life Sciences
- Faculty of Sciences
- Faculty of Social Sciences
- Faculty of Management Studies

This CBCS provides students a wide diversity of subjects from which they can choose what they really like and have aptitude for, apart from the core subject they have chosen. The flexibility inherent in the system will allow students to acquire a rounded personality by choosing subjects across disciplines and mediums. The University would like to encourage interdisciplinary among students in their studies and research. To facilitate this, a cumulative list of courses that will run under CBCS is being provided. Students are advised to go through the list carefully so that they can make an informed choice. Course Advisors in all departments may be contacted for advice or any other help related to the CBCS.

The courses under Choice Based Credit System offered for various programs are classified under the following categories:

National Education Policy 2020 (NEP)

Jamia Millia Islamia adopted National Education Policy 2020 w.e.f the academic session 2024-25 in the following faculties of the university:

- Faculty of Engineering & Technology
- Faculty of Fine Arts
- Faculty of Humanities & Languages
- Faculty of Sciences
- Faculty of Social Sciences
- Faculty of Life Sciences
- Faculty of Management Studies

Key Objectives of NEP

The National Education Policy (NEP) 2020 is a transformative framework aimed at reshaping India's education system and ensuring its relevance in a rapidly evolving world. For students at Jamia Millia Islamia, the key objectives of NEP 2020 can be summarized as follows:

Holistic and Multidisciplinary Education:

NEP 2020 envisions a shift from a rigid, stream-based system to a more flexible, multidisciplinary approach to learning. To achieve this objective, Jamia Millia Islamia is striving to provide options to its students to explore various fields of study across disciplines, enabling them to pursue a broad-based education that combines knowledge, skills, and creativity.

Promotion of Critical Thinking and Creativity:

Jamia Millia Islamia aims to foster critical thinking, problem solving, and creativity among students. It encourages learning through inquiry, collaboration, and hands-on experiences rather than rote memorization. This approach will empower students to become independent thinkers, innovators, and leaders.

Skill Development and Vocational Education:

The policy highlights the importance of vocational education from an early stage. By integrating skill development programs and vocational training into mainstream education, Jamia Millia Islamia aims to equip students with practical skills, enhancing their employability and preparing them for diverse career opportunities.

Focus on Indian Languages and Cultural Heritage:

The curricula of FYUP programs provide opportunities to students to learn about Indian Languages & cultural heritage by taking them as subjects under Skill/Ability Enhancement or Value Added Courses. For more academic rigor, JMI students may also pursue such courses as Minors/Multidisciplinary subject to pre-requisites & constraints that may vary across disciplines.

Flexible Education Pathways:

NEP 2020 advocates for flexible entry and exit points in education, enabling students to take breaks, re-enter at a later stage, or switch streams with ease. This ensures that students can continue their education in a way that best suits their interests and circumstances.

Strengthening Research and Innovation:

The policy encourages fostering a research-driven culture at all levels of education, particularly in higher education institutions. This includes increasing funding for research and creating environments that nurture innovation and creativity. Most FYUP programs at Jamia Millia Islamia usually offer an option in fourth year to purse Honours with Research degree.

Some Important Terminologies for Understanding NEP Programs

FYUP: Four-Year Undergraduate Program

Major discipline is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses in the major discipline.

Minor discipline helps a student to gain a broader understanding beyond the major discipline.

Ability Enhancement Courses (AEC) are the courses based upon the content that leads to knowledge enhancement through various areas of study.

Skill Enhancement Courses (SEC) are skill-based courses in all disciplines and are aimed at providing hands-on-training, competencies, proficiency & skills to students.

Value Added Courses (VAC) are common pool of courses offered by different disciplines and aimed towards personality building.

Courses from Other Disciplines (Multidisciplinary) - All UG students are required to undergo 3 introductory-level courses relating to any of the broad disciplines offered by the university other than the major & minor streams opted by them.

Discipline Specific Core: These are the courses that are to be chosen by students of Multidisciplinary B.A. & B.Sc. programs. Students may choose any three disciplines and earn at least 32 credits in each one of them.

Multiple Exit Options

The students of Four Years Undergraduate Programs (FYUP) under NEP are allowed to take exist from the program at the end of each academic year with following certificates:

UG Certificate (Exit 1): Students who opt to exit after completion of the first year and have secured 40 credits will be awarded a UG Certificate if, in addition, they complete one vocational course/internship/apprenticeship of 4 credits during the summer vacation of the first year and in addition to 6 credits from skill-based courses earned during 1st and 2nd semester. These students are allowed to re-enter the degree program within three years and complete the degree program within the stipulated maximum period of seven years (Level 5).

UG Diploma (Exit 2): Students who opt to exit after completion of the second year and have secured 80 credits will be awarded the UG Diploma, if, in addition, they complete one vocational course of 4 credits

during the summer vacation of the first or second year. These students are allowed to re-enter the degree programme within three years and complete the degree programme within the stipulated maximum period of seven years (Level 6).

3-Year UG Degree (Exit 3): Students who wish to undergo a 3- Year UG programme will be awarded UG Degree in the Major discipline after successful completion of three years, securing 120 credits and satisfying the minimum credit requirement.

4-Year UG Degree (Honours) (Exit 4): A four-year UG Honours degree in the major discipline will be awarded to those who complete a four-year degree programme with 160 credits and have satisfied the credit requirements of the program.

4-Year UG Degree (Honours with Research) (Exit 4): Students who secure CGPA of 8.5 and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. They should do a research project or dissertation under the guidance of a faculty member of the University/College. The research project/dissertation will be in the major discipline. The students, who secure 160 credits, including minimum of 12 credits from a research project/dissertation, are awarded UG Degree (Honours with Research).

Multiple Entries into FYUP:

Jamia Millia Islamia (JMI), has adopted the Multiple Entry system in accordance with the provisions of National Education Policy (NEP)-2020. Admissions under the Multiple Entry Mode shall be governed by the following rules:

- JMI shall admit students in Odd Semester (i.e. 3rd, 5th & 7th Semester only) of FYUP UG programs only, subject to availability of vacant seats in such programs.
- JMI shall advertise the vacant seat position along with its eligibility and reservation category (for admission in the odd semester of FYUP UG programs) along with the Prospectus on its admission portal https://admission.jmi.ac.in.
- Interested candidates shall have to apply for admission under Multiple Entry mode (for FYUP UG programs where availability of seats is notified) in online mode, whose forms will be made available on Jamia's admission portal https://admission.jmi.ac.in.
- Admission shall be based on performance in the entrance test and will be based on merit, as also in accordance with JMI's reservation policy mentioned in JMI ordinances and Prospectus.
- The candidate seeking admission to JMI should be from a HEI and should have been enrolled in a FYUP UG program under NEP 2020 in their own University, prior to seeking admission in JMI. The same rule applies to candidates from JMI, who too must have been enrolled in a FYUP UG program as per NEP 2020 in JMI.
- Further, the HEI should be included in the list of institutions maintained by UGC under Section 2(f) of the UGC Act 1956 and, in respect of private universities, with the UGC Committee's report in accordance with Section 13 of the UGC Act 1956.
- Credits and the NCrF levels attained shall be the basis for drawing equivalence for considering lateral entry of students/ learners
- The annual fees of the said programs shall be mentioned along with the advertisement.
- The candidates admitted through Multiple Entry mode are required to submit their ABC details to JMI at the time of admission to facilitate the transfer of credit of courses completed in their home institution.
- The maximum duration of 4 years FYUP UG program shall be 7 years as per NEP guidelines. The candidates, applying after a gap, for admission to the next level of FYUP UG program, must ensure they have sufficient time to complete the program. No candidate shall be admitted to any FYUP program in Jamia if he/she has already completed seven (7) years from the date of initial registration in the FYUP program in the initial university.
- Upon admission to JMI, the Credit Equivalence Committee may, if necessary, ask the candidate to complete additional credits. Compliance with this requirement shall be mandatory for the candidate in order to be eligible for the award of the diploma/degree from JMI.
- If the credit earned at JMI is less than 50%, JMI shall not issue the degree but transfer the credits earned at JMI to the Home University.
- If the credit earned at JMI is less than 50%, JMI shall not issue the degree but transfer the credits earned at JMI to the Home University.

Distance mode of education is not covered under Multiple entry mode

جامعہ کا ترانہ

دیارِ شوق میرا، دیارِ شوق میرا

شہرِ آرزو میرا، شہرِ آرزو میرا

اٹھے تھے سن کے جو آوازِ رہبرانِ وطن   ہوئے تھے آکے یہیں خیمہ زن وہ دیوانے

اسی نے ہوش کو بخشا جنوں کا پیراہن   یہیں سے شوق کی بے ربطیوں کو ربط ملا

کہ دل کے داغ کو کس طرح رکھتے ہیں روشن   یہیں سے لالۂ صحرا کو یہ سراغ ملا

دیارِ شوق میرا، شہرِ آرزو میرا

یہاں کی صبح نرالی، یہاں کی شام نئی   یہ اہلِ شوق کی بستی یہ سرپھروں کا دیار

یہاں کے جام نئے، طرحِ رقصِ جام نئی   یہاں کی رسم و رہ مے کشی جدا سب سے

یہ بزمِ دل ہے یہاں کی صلائے عام نئی   یہاں پہ تشنہ لبی مے کشی کا حاصل ہے

دیارِ شوق میرا، شہرِ آرزو میرا

یہاں پہ قبلۂ ایمان کعبۂ دل ہے   یہاں پہ شمعِ ہدایت ہے صرف اپنا ضمیر

یہاں پہ راہ روی خود حصولِ منزل ہے   سفر ہے دین یہاں، کفر ہے قیام یہاں

کنارِ موج میں آسودگی ساحل ہے   شناوری کا تقاضا ہے نو بہ نو طوفاں

دیارِ شوق میرا، شہرِ آرزو میرا
